

Friends of Jordans Scheme

Overview

The Friends of Jordans Scheme has been created to enable those who are interested in the Village to keep in touch with what is going on, and to participate in the community. The Friends of Jordans Scheme is open to anyone with such an interest; Members of the Society are automatically enrolled into the Scheme.

Jordans Village was founded in 1919 by a group of Friends interested in creating a “Social and Industrial experiment” so as to give “those engaged therein scope for the growth of character, self-expression, and high standards of individual workmanship”. While part of their original objective – to acquire an estate and to construct the residential properties upon it – was achieved many years ago, the community spirit and care for this beautiful estate is something that continues to be nurtured to this day.

As well the residential estate, Jordans Village also comprises Crutches Woods, Manor Farm Fields, an Orchard, and of course its centrepiece – the Village Green, which is set within a designated Conservation Area. Adjacent to the Village are the Quaker Meeting House and burial ground, Old Jordans, and the Mayflower Barn. There is also a shop, a Village Hall, and a primary school on the estate.

Friends of Jordans will be welcome to participate in events and volunteering opportunities which help to create such a wonderful co-operative community spirit in the historic Quaker Village of Jordans.
